

A Smarter Way to Address Chronic Absenteeism

Scalable Attendance Support for California Districts

Absenteeism is a signal.

Branching Minds helps California districts **see that signal early and take coordinated action at scale** – before absenteeism becomes chronic.

See Risk Early

with nightly updates and automated risk flagging for attendance, behavior, and course performance

Coordinate Support

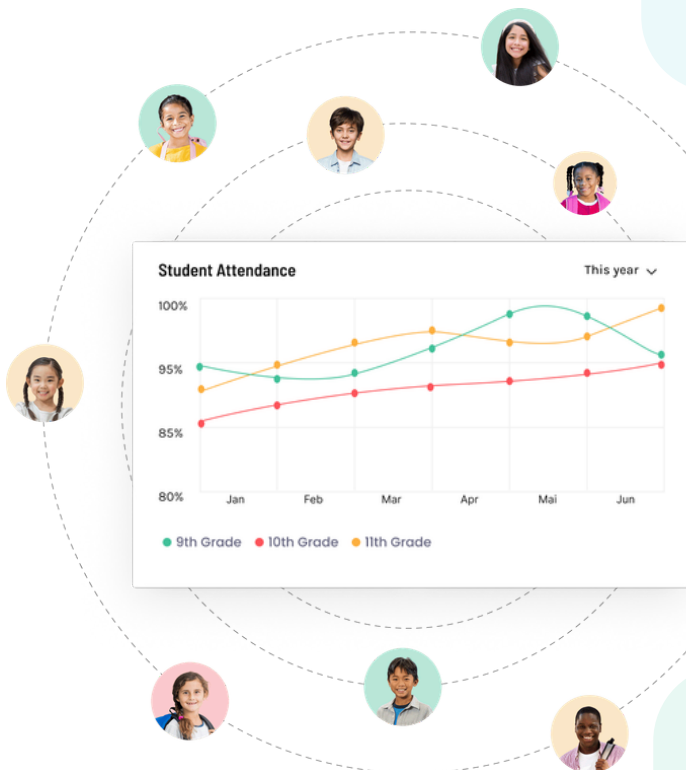

with guided workflows to plan and monitor targeted attendance interventions across schools

Connect Stakeholders

with tools for communication and documentation in one place

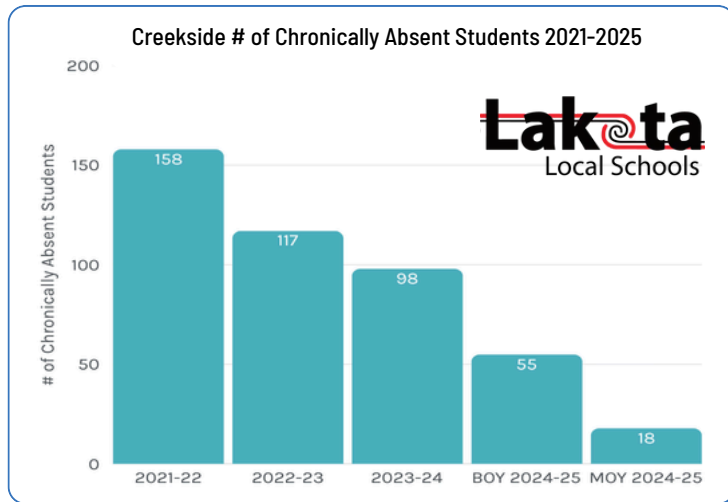

Track Progress

with district and campus dashboards for attendance trends, intervention fidelity, and more

The Impact of Early Attendance Intervention with Branching Minds

Creekside Early Childhood School, Lakota Local Schools, OH

The administrators at Creekside used Branching Minds to bring together attendance data, intervention planning, and tracking.

As a result, students flagged for chronic absenteeism dropped by **82%**.

Trusted by California Districts

Ready to go beyond tracking attendance to actually improving it?

See what your district can do with Branching Minds.
